*Menicucci is misspelled on the album as Menichcci

I don't have an MP3 of this album track yet, but someone posted the track on YouTube, so you can listen to it there :)

Fun Fact: This album can be seen in the John Hughes' film, *Pretty in Pink*, during the TRAX record store scene when Jon Cryer (Duckie) masterfully lip syncs to Otis Reddings's recording of “Try a Little Tenderness.”
